SC Public Service Commission  
Docket 2005-385-E Order No 2006-680  
101 Executive Center Dr., Suite 100  
Columbia, SC 29210

SC PUBLIC SERVICE  
COMMISSION

2007 JAN -9 PM 12:07

RECEIVED

I am writing in support of net-metering for residential customers in South Carolina to encourage the use of solar, geothermal and other sustainable energy sources in residential buildings.

I am a licensed homebuilder/developer in the Charleston area and have an interest in providing green houses to my clients. Without the ability to "sell back" excess generating capacity, I feel my clients will not invest the extra dollars needed for these technologies.

Thank you for the chance to comment.

Regards,

Steve Preston
